

Quality Policy

Houers Koöperatief Beperk is committed to supply to the agricultural market, corrugated cartons that conforms to quality requirements, at a competitive price, on time.

We strive to achieve this by:

- * Understanding our customers' needs and to conform to their requirements.
- * Adhering to statutory and regulatory requirements relevant to our company, its business and quality management system.
- * Developing a seamless process by fully integrating the services provided by our suppliers.
- * Monitoring our performance, with a risk based thinking, in order to continuously improve our processes.
- * Utilizing our ISO 9001 - 2015 Quality Management System for all company processes everywhere, every time.
