

# Quality Policy

Houers (PTY) Ltd is committed to supply to the agricultural market, corrugated cartons that conforms to quality requirements at a competitive price, on time.

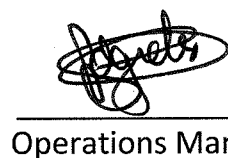

We strive to achieve this by:

- Understanding our customers' needs and to conform to their requirements.
- Adhering to statutory and regulatory requirements relevant to our company, its business and quality management system.
- Developing a seamless process by fully integrating the services provided by our suppliers.
- Monitoring our performance with a risk based thinking, in order to continuously improve our processes.
- Utilizing our ISO 9001 – 2015 Quality Management System for all company processes everywhere, every time.
